Written Statements:

Submit two concise written statements of your overall thoughts concerning two of following: (500 word max)

- Professional goals
- Philosophy of Librarianship
- Objectives as a school librarian
- How you envision meeting library information standards

Submitting this application and supporting materials indicates that you have read and understand the following statements:

- I have read the scholarship guidelines and understand that activities not related to school library media services will not be reimbursed.
- I certify that the requested amount is not being reimbursed by any other entity.
- I understand that applicants who are awarded a scholarship will be required to submit documentation of expenses and evidence of completion in the form of an official university report card or transcript to the AISLE registrar within thirty (30) days following course completion to receive reimbursement.

Once completed, download this form as a PDF (Click on File - Download as - PDF Document). Submit this completed form along with statements of support, criteria, etc. electronically to: grantsawards@aisled.org.
